

What external and internal influencers effect your shooting ability and overall score?

# WE NEED YOU!

Please follow the link below to take part in our short survey, participation is voluntary and completely anonymous. If you have ever wanted to find a way to improve your shooting ability and improve your personal best scores we can help. If you have any questions related to this research project, please contact Ellie Thornton on 07387184410.

If you would like to take part in this study, please follow the link below.
